“ Mom-Mom I miss your smile, your voice, and your laugh. the way you would pull me close to you by waving your finger. You always asked me to do things for you after everyone else told you no! Like get you a peach schnapps on the rocks and when everyone said "NO!" you said "why do these people think they can tell me what I can and can't do" .. and when you asked me to sit you on the side of the bed and you said "why won't they let me sit on the side of the bed Tara" and I said because you can't hold yourself up and your gonna fall, are you gonna fall mom mom?" And you shook your head nooo with that innocent face of yours. I love you soo much, words could never justify how much you mean to me!! Until we meet again my angel <3
