“ Irv was a great friend of my dad's and like an uncle to me growing up. He shared many great times with our family fishing, boating, and vacations at the shore. He was there for both my brother and I for our graduations and weddings. He was a wonderful and caring man and will be greatly missed. RIP Irv. Love you!

“ I remember Irv from PGHS. Never knew he went into the Marines, but I am glad he came back alive. I never had the chance to thank him for her service and talk about our military experiences.

“ It is with sad heart that I learned of my cousin Irven's death. My life was enhanced by the communications we had in recent years though we lived states apart -- I will definttely miss that but I will continue with our family geneology work.
