“ I must say I feel very lucky to have become friends with Julia...we worked together and talked everyday sometimes 2&3 times a day at least when taking breaks....she was ever so thoughtful always. Kind, caring always interested in how things were going for my daughter and I. She would leave little notes or even a butterfly on my desk or in my cubicle when she knew we were struggling thru certain things...she was so kind to have bought me \$50.00 of Trac phone min utes when my child was in the hospital saying I want you to be able to call me if you need me &i really knew she didn't have it...she was encouraging always...soft spoken, quick witted and I will miss knowing she is on this earth with us. I saw her nit to long ago and we talked just like no time had gone by since I'd seen her.so glad I got to hug her then.had I known she'd be gone I wouldn't have let go....a good soul.....no doubt She will watch us all as a butterfly no doubt. I know the love she had four each of her family members as she spoke of each of you in our many many conversations thru the years.....Julia,,I will miss you...rest in peace my friend...rest in peace. With MUCH LOVE, Debbie Rode-Hartman
