“ Mike and I met in middle school. We went to Saint James Dances together. He introduced me to the man I ended up marrying and having 2 children with. We shared alot of fun times together as well as laughs. He did maintience work.on a house I had rented. I woud enjoy the talks and how he made me laugh. I will never forget our friendship, the fun times or the laughs we shared. My deepest sympathy to the his entire family. I will never forget his laugh or smile.
