“ *I have a lifetime of memories with Aunt Ada that I will hold dear in my heart. Years of running back & forth between our house & hers to spend time with our families, sharing meals, swimming, watching TV, laughing & joking around, talking & more talking, picture taking, Christmas time, summers, & sometimes even a little bit of fighting but we always knew we all loved each other in the end no matter what. A big part of my life. Aunt Ada had a giving caring heart. And we all always knew how much she loved us. God bless you Aunt Ada you will be missed, but you will be in our hearts forever. Love you infinity! Traci we're all here for you. We love you too. May God comfort you & your family.  
God bless & take care.  
Love Aggie & Family*
