“ We are grateful to have this opportunity to express our deepest sympathy to Emily and her family in the loss of Alan. We would see Alan almost everyday when he would come in to FMC. He loved life and his family and shared his enthusiasm with others. Alan will surely be missed. May the Lord, Jesus, comfort you, Emily and your family in this time of need.

“ My husband and I were saddened to learn that Al had passed away. I had worked at FMC in Baltimore and Al would pick his paperwork up from us just about everyday for many years. I enjoyed his stories of his travels with Emily and the family. He was very proud of his children and I feel lucky to have known him. I will surely miss him . Our thoughts and prayers go out to Emily and family. With deepest sympathy, Lori and Mark Betch

“ Al was a great co-worker, we had many conversations through the years. I can remember all the "twins talks" we had because we had that in common. He was more than a co-worker to my husband Jeff and I, he was also considered a friend. We will miss him. I am sure God has a special place for him. There was not a person that cherished their family more.

“ Alan was such a personable type. He seemed never to be bothered by differences in people and seemed acceptable of all. I only worked with him occasionally as he would come in to haul our hazmat. I pray that God will be the family's comfort in this time of need.
Blessings, Vernon
