“ I worked with Ann for many years at Salem Hospital, spent time with her at her trailer at the shore, Sunday mornings at her mother's house while my daughter and Tina attended Sunday school, too many occasions outside of work to mention here. You will surely be missed Ann!

“ I will never forget Annie Holmes as long as I shall live. I worked with her at Salem Hospital in the late 60's and early 70's. Always laughing with a fantastic personality. We remained friends long after I left there. She will forever make a footprint on my heart. I remember when her husband passed and I remember how happy she was when she became pregnant with her beautiful son. For her special family, I feel so privileged to have known her. Peace be with you as God wraps his arms around you.
