“ I am so sorry for your loss. Anna May was one of a kind. She was a very special lady and I will never forget her. She was known as meme to so many of our children. I remember Ryan coming home from a visit and telling me I dont set the table like his meme taught him. The memories will keep her alive in our hearts. God Bless you John, Jennifer, Kevin and Dawn. I love you all and here for you. You all have another angel looking down and watching over you all. Anna May I will miss you so deeply. I will forever cherish the gifts of love that you gave me
