“ April was such a sweet soul ! It's sad how she was treated by some ! She always thought of others ! And did things for others ! And yet some that she did good for, treated her with disrespect! There is a place for such as those ! Sorry not sorry for my honesty! See you soon Apple ! Love you kid !

April will always be remembered by me, and my family. She was a great person. I grew up with her. I looked up to April she was smart, loving and funny, but also a private person. She was in the pennsville band, and I always went to her competitions with her Mom and Tammy. I later became a band member for my 4 yrs. Of high school. She was my inspiration to do so. Rip April I will always keep you in my ❤️
