“ I was so sad to learn of Armondo’s death. I thoroughly enjoyed getting to know him when he was building the addition on our house two years ago. Such a hard worker and genuinely nice person. Betty, I have never met you but I feel like I have because he would often talk about you and it was so evident how much he loved you. Praying for you all at this hard time. Meg Willard

“ Armond I will miss you big time. Especially our BS sessions sitting on my wall at the house. You always teased me about being a Bishop woman, knowing that made me proud. Love you my cousin. RIP will see you on the other side.
