“ *I'm so sorry to hear the news. I will always remember Bebe as a kind, caring, beautiful woman inside and out. She always asked me about my special needs daughter ever time I saw her! My mom, Edie Leap, adored her and there is no question why!!! I pray God blesses you as you grieve! May she rest in peace!*

“

Gig, my sister Pam sent this to me (Bob Ingraham) . Sorry for you and your family. Don't recall, but probably have not seen you or Bebe since high school. I don't normally use social media, but I tried to send you a note directly. Saw that Pete died last year. My wife died last November. Also saw that you and Pete were part of groups that helped animals. Judi and I were involved finding homes for racing greyhounds. We adopted over 50 greyhounds over the years, and I still have 10. We moved a lot (worked for Exxon since college). Now retired and live in Chincoteague VA in the summer and at Smith Mountain lake (Huddleston VA) in winter.

“ I will always remember her beautiful smile. It was rare to ever see her without it. I will always remember all the fun Christmas parties that she hosted for the together circle ladies and the umw ladies. She was a beautiful lady inside and out. She's now at peace and at rest with her Lord Jesus that she loved so much. I will truly miss her.

“ I’m sitting here thinking about you and my heart is breaking. You are the reason we have all of our wonderful memories.. you were always ready to head out into the snow, with us, even in the dark. We’d get all bundled up and pull our sleds thru Dunn’s Park... all of us laughing and screaming and falling. What an amazing feeling. You gave that to us.

You made EVERY holiday an event.. decorations for everything... Easter, Valentine’s Day, Halloween, thanksgiving, and the most wonderful of all, Christmas! So much happiness... you wanted Easter egg hunts, birthday parties, trick or treating, and wonderful Christmas mornings... you instilled that in us.

You took care of my children and they loved you so much. Weekends away at the outlets, Disney trips, summers in Ocean City, craft shows, family gatherings and just spending time together every week.

We have shared so very much in this lifetime... loving, fighting, growing, learning, forgiving, protecting, sacrificing and grieving. You have been my very best friend. Through all of life’s ups and downs... you have always had my back and loved me unconditionally. I’m not sure how any of us will be ok without you. Rest In Peace mom..all of our hearts are broken.

“ *There are no words for a light as bright as Aunt Bebe's. She had such a positive spirit that impacted all of our lives. I am so inspired by her faith, even in the face of great suffering. Uncle Greg, you are a rock. Lori, Natalie, & Holly, my heart is broken for you. A million happy memories of growing up, family, church, and Ocean City. The best Godmother in the whole world. I will miss you forever. You are with Alana now. Rest In Peace. ❤️ Dawn*

“ Words cannot express how sorry I am to hear of your overwhelming loss!! Bebe was always so pleasant, always smiling & ready to help you in any way she could! “ I would like to express my sincere sympathy on losing a great person with a big heart. God has gained an angel that will be by his side to help in whatever is needed and will look down on everyone with strong hands guiding you through this tough time. I know she will always have a smile on her face because every time I seen her a great big smile and a hi would always be there.

RIP Mrs Myers and my prayers and thoughts are with the family in this trying time

With deepest sympathies
