“ I think of all the jobs I worked with Billy over the years, he always was a team player and he had a way to make the job easier with a big smile and a joke or two. After I retired, Ursula and I would run into him and Elaine around town or at a casino and he was always the same with a cheerful smile and a big hello. He will be greatly missed by all that knew him. Our hearts and prayers go out to Elaine and son, Billy Jr. -322 Union Brother and friend, Bill Gardner (AKA Mr. Bill) and Ursula.

“ I am truly proud, to have been able to work with Billy. During our many years together in Local 322. Nothing was too difficult for him. He never gave up until the task was completed. He certainly made me look good many times. I was teamed up with Billy, when I retired. We had a special bond between us. I know he is resting peacefully. Until we are together again my dear friend.

“ Billy was a sweet and handsome young man who was always with Elaine to help to deliver her Avon and he would always come to the door with a smile on his face and give me a hug; he also was a kind friend to one of his older golfing friends,a widower, he was there to fix something for him or just spend time with him. Billy will be SO missed by so many and our prayers go out to his beautiful wife, Elaine. May our God give her strength and comfort during this difficult time. With love and prayers

“ *It breaks all our hearts to know of Bill's passing. The first time we met Bill he treated us like family and we were so happy to have him as part of ours. He should have been the Mayor of Pennsville. Every time we would go out to a fair or to eat he knew everyone. We just loved visiting with all my cousins in Pennsville because any time spent with family is a blessing. Rest in Peace dear friend, you will be missed !!! Jim ,Kathy and Michael*
