“ I have known Brian since he dated my daughter Toni who passed away April 15th 2020. He treated her with a lot of love and tenderness. He was such a wonderful father He loved his children even when he was dating Toni she had a son Evan with autism but that didn't bother Brian they went to see fireworks and Brian was so kind to Evan. I loved Brian since the day I met him he was very talented and had a huge heart I hope you will see Toni and I know you are both in the arms of yhe angels. Brian and I had a lot of talks and no matter what I would always see yhe good in him I just saw him last week and he sat in my car and we talked for a while I can not believe he is gone he was so handsome and he was a good dad and he spoke of his children all the time. I will never forget all the talks we had and the memories I will miss you with all my heart RIP sweetheart and watch over your children. Gone to soon but never will be forgotten it is breaking my heart

“ I have an amazing memory of the 1st time I met Brian. He was 11 years old and was spending time with Steve, who he so looked up to. Brian had so much joyous infectious energy for enjoying life and having fun. Even when he was married and living in Virginia Beach he would do anything for everyone. Had the most amazing smile! May those smiles be with his family and friends always! 🙏😊
