“ Clarita was truly an angel on earth and no doubt one of Gods angels now. I only knew Clarita for a short period of time but she was my Mothers caregiver and we adored her. RIP my friend. You will never be forgotten. 💔

I first met Clarita in 2012 when she was taking care of my mom in law. I knew that she was an angel then. She was dedicated to her clients and gave the best care. She was a compassionate person, always loving and giving to everyone. She took care of a few other people that I knew. In the last couple of years Clarita and I met up with each other and worked out at the YMCA. I will certainly our conversations and her positive attitude, not to mention her beautiful smile. Rest In Peace my dear friend and work out buddy. I have you in my heart. Until we meet again.

We were so saddened with the news of dear Clarita's passing. A little over 2 years ago, Clarita came into our lives as our mother's caregiver, along with her daughter and daughter in law. I do not know how we would have managed without her, her calm demeanor, and her attention to, and patience with our mother. We felt that Clarita just melded into our family. She was a gift and will not soon be forgotten.

Clarita was a wonderful presence in the final years of our grandmother's life. We are forever grateful for her compassion, patience, and caring help. May she rest in peace knowing she was loved by both family, friends, and acquaintances. Her life of love was inspiring.
