

Debra J. Dooley

January 15, 1954 - January 22, 2022

Debra J Dooley, age 68, of Pennsville, passed away on January 22, 2022 with her children at her side after a short but courageous battle with lung cancer.

Debra was a graduate of Pennsville Memorial High School, Class of 1972. She spent her children's younger years as a full time homemaker. She returned to work in 1988 as a Medical Records Clerk at Millville Hospital for 12 years before starting a new career at Discover Financial Services as an Account Manager in November of 2000. She just recently retired from Discover after 21 years of service.

Debra enjoyed spending her time with family, especially her grandchildren who gave her the greatest joy and affectionately called her Geeka, a name her eldest grandchild gave her when she was just a toddler.

That name just like everything else that involved her four grandchildren was what truly made Debra the happiest. She attended every one of their school concerts, dance recitals, soccer and baseball games.

Her grandchildren were her world.

Debra was preceded in death by her husband Robert L. Dooley; and sister-in-law,

Sharon Cipolla. She is survived by her son Sean Dooley; daughter Heather Pratz;
son-in-law Darrin Pratz; beloved grandchildren, Brianna, Jacob, Ryleigh, and Avery;
niece Kelly Verdecchio and her husband Tommy, as well as their daughter Mya.

Memorial Service will be private and held at a later date. She will be laid to rest beside her beloved husband, Robert, a Vietnam Veteran, at Finns Point National Cemetery.

In lieu of flowers the family asks that you consider making a donation to Debra's favorite charity, St. Jude Children's Hospital.

“ I worked closely with Deb thru her entire Career with Discover. She was the best. You had to really know her, otherwise she may come across as a "grumpy old lady". Although those of us that knew her know that she was far from it! She was the most caring person. She always kept us laughing with her care free comments. She helped me create a ton of memories with Discover and for that I will be forever thankful.

“ I was so saddened to learn of Deb's passing.

I knew Deb for many years working at Discover.

Then for several years had the pleasure of being on the same team with her.

Deb was a good teammate. Always participating in our team birthdays and other potluck celebrations. We could always count on Deb to provide us with cheese & pepperoni.

Deb was a professional at her job, and didn't hesitate to help any one of us by sharing her knowledge & expertise, when needed. But above all she was a good person and fun to know.

I remember how Deb would speak so fondly & lovingly of you, her family, especially the grandchildren. And how much she would look forward to, and then enjoyed, your family vacations together. So, I hope your memories of her will one day fill your hearts with comfort.

My deepest condolences to your entire family. Deb will be missed.

*Sincerely,
Risë Hill*
