“ she's always watching over me i feel her presence near she's always here to listen and guide me through my fears and she's a very special angle one god choose just for me she was once my mom here on earth but that wasn't long to be god called her home one day my fear and fage did she see if he were a loving god why take my mom from me but in time i saw the plan he unveiled for me to see he had taken my mom away but he gave her back to me there was only one thing different about this wondrous thing she just traded her moo-moo for a halo and snow white wings
