“ I have such fond memories with Diane and Wayne. We often met for dinner, in fact, we had dinner at Riverview Inn and Chuck and Wayne came dressed almost exactly the same way! We laughed till we cried ❤️. My fondest memory is of when Diane and I would go shopping and then have lunch at Filomena’s. We have many great memories together in Rehoboth Beach when they would come visit. She was a lovely lady, a great wife to Wayne and wonderful friend to me. I will miss our talks and all the great times we shared. ❤️

“ My wife and I wish we’d gotten to know her better. I spoke to her on only a couple of occasions after reconnecting with Wayne, one of my two favorite pilots that I served with in the Army. She had a beautiful lighthearted spirit and made me feel good to spend time just talking on the phone with Wayne - or as she called it “Bromancing.” You could hear the smile in her voice. I would have given anything to have spent time with her and Wayne, but GOD in his infinite wisdom has called her home. My heart felt condolences go out to Wayne and family. May GOD soon provide peace and comfort to you all.
