“ Donny was one of Big Jim’s best friends. Jim rarely spoke on the phone, but since Donny refused to text, he had no choice. I could always tell when he was on the phone with him because Jim was always almost on the floor in laughter!! And Lazy Man was the party of the year—I’m sure they are laughing and raising hell again!

Daniel and Jeffrey- so very sorry for your loss.

My heart knows the pain you are feeling.

Your dad was a great guy, but now he is at peace with your mom. Prayers and love-
