

Donald Lee Oliver

June 2, 1960 - January 22, 2021

Donald Lee (Duck) Oliver age 60 went home to be with the Lord on January 22, 2021. Born in Salem, he grew up in Pedricktown and later moved to Carneys Point. He was a 1979 graduate of Penns Grove High School.

Don loved sports, especially softball, horseshoes, and college basketball. But his heart belonged to football and the Kansas City Chiefs! He loved to cook and you could often find him grilling while enjoying a fine cigar.

No matter where he went, he always found someone he knew from his years working at The 295 Truck Stop, E&R Motor Parts or Mitsubishi Fuso Truck of America where he spent the last 30 years.

Duck is survived by his sons Zachary, whom he shared his love of music, and Joshua, who could often be found riding their motorcycles together. He is also survived by his siblings, Fred Jr, Keith (Robin), Kenny (Kathy), Gary (Laura), Erma, Diana, Margie Childs (Paul) as well as several nieces and nephews.

He is predeceased by his parents Fred Sr and Francis Oliver, his sisters Rebecca Burden, Carol Hackman (Rick) and Amy Harr (Tim)

There will be a visitation on February 13th at Hudson UMC in Pedricktown from 10am-11am with a private service for the family following due to Covid-19. In Lieu of flowers we ask that donations be made to The Gift of Life in Phila, PA, for which he was an Organ Donor. “ To my dearest friend and brother,
I will never be okay with losing you at such a young age. We had
good and bad
times growing up but we always stuck together! I am so proud
of you as a son, brother and father. Life will be different without you
for sure! My
only peace is knowing you are with with Jesus now and the rest of
our siblings
and Mom and Dad! Keep singing those beautiful songs in Heaven, I
know it's beautiful!
it's beautiful there just like Hod promised us! Until we meet again, I
love you Duck forever
and always. Rest easy my brother. 💔❤️❤️❤️😇

Love your sister, Diana

“ I worked with Don at Mitsubishi for 4-1/2 years but always remained
friends. When he moved to Carneys Point he lived on my street and
we commuted to work together many times. Through the years we
would cross paths from time to time always talking about getting
together to have a cigar or two and what new dishes we were
cooking. I was shocked when I heard of his passing and stated that
with his KC Chiefs headed back to the Super Bowl, I was just
thinking of him and if he had retired. I will have him in my thoughts
on Super Bowl Sunday and I will have a cigar in his memory.

“ Sending prayers and condolences to the family. Duck was a long time friend. I think we have known each other since kindergarten. Maybe even earlier than that. (church). Many memories are popping up in my mind from elementary school to high school. It was so good to see him when we got together with fellow Pedricktown classmates of 1974 a few years back and then the next evening at our 40th high school reunion. It funny how you don't see someone for years and when you do you don't miss a beat. It was such a good time catching up with him. I must say growing up in small town I love my Pedricktown roots and friends. Rest In Peace my friend until we meet again. And yes I will be rooting for your KC Chiefs.
