“ Even though we only knew each other a short time you was always a special person to my family. I’m going to miss our long talks. May you rest easy knowing that Ralph will never cheat, lie or mentally abuse you again.
RIP my dear friend

“ Such a beautiful lady, caring mother who loved her family. I loved listening to her stories and adventures that they went on. Ralph adored her and wanted the best for her. She was loved by many and will never be forgotten.

“ *When I think of Doris; I always remember the night, “we” surprised her in her Salem apartment. I can still see(and will always remember this image) of Doris putting her hands on her hips and saying, “What are you doing here?” lol. It was always fun being around Doris! 🤔 RIP with all of your love ones in heaven. 😊*
