“ Norma, I just heard about Earl. I am so so very sorry. I wish I had known sooner as I would have gone to the service. I have so many fond memories of him from the Rustic Inn and him being friends with my Dad. I remember him always stopping at the house. I am deeply saddened by this ... but I'm sure he and my Dad have connected up there to have a cup of coffee and to laugh ... My sympathies, thoughts, and prayers are with you.... Belinda

“ Football had a such a big heart . He was always surrounded by little ones - they could tell how much he loved them I'm sure . I know my babies loved their Uncle Football, although they don't remember when they were really small. He had such a strong devotion to his family , which is one of the most noble attributes that a person can have . Although we haven't seen each other in years , I'm so glad that we reconnected through Facebook . My heartfelt prayers and condolences to Norma , Earl Michael and family . Rest Easy
