“ I met Eleanore at the Lindsey House years ago while I was doing hair. She was so different from all the other women there. Always put together, confident, never without a smile. I felt so bad because the first time I did her hair I dropped the hot curling iron on her poor lap. God I will never forget it! We would later laugh about it when we looked back to how we became buddies. We clicked, I got to meet to sister Mildred and before you know it we three had a little friendship. I would go to Mil's house and started doing her hair as well. I then met Pat when he would come visit the girls. What a great , close family. I loved them. We would eat out, shop, go to Dr.s appointments and the girls even came to my house for dinner. I said I wanted to be just like Eleanore when I grew up. Loved her like family and she made my children and I feel like family. I will so miss my friend.

*Love you Eleanore and I'll see you soon xo*

“ I am so very thankful that you were a part of my life. I remember like yesterday how my sisters and I would spend the day shopping and going to lunch with you and my mom-mom when when we had a weekend, and being the little girl to always sit on your lap at family funstions. I will miss you dearly and love you very much! Give my Mom-mom a kiss for me!
