

Eloise Elaine Robey

December 2, 2022 - December 19, 2022

Eloise Elaine Robey aka “Ella, Ellie,” born December 2, 2022 passed peacefully in the arms of her nurses on December 19, 2022, at Cooper University Hospital. She lived a total of 17 days, during which she was loved on and cared for by her loving family and amazing nurses. During her short time here, Eloise was a sweet, beautiful, perfect baby girl who loved warm blankets, snuggling with her big cousin Zoeann, and spending time with her family.

Eloise was survived by her parents Ashley and David Robey and big brother AJ. She also had many Aunts, Uncles, Cousins, Grandparents, and Quick Snip Family who loved her dearly along with her big sister Jamielynn.

A private memorial service will be held where Eloise will be honored by family. Her legacy and story will live on forever through her family, especially her brother Albert “AJ,” as well as efforts to support the future families that may experience circumstances similar to her own.

On behalf of Eloise, just remember “every little thing is gonna be alright”

In lieu of flowers the family requests to make any donations in honor of Eloise to her big brother AJ’s college fund at accounts.franklintempleton.com/investor/college/9e3tY
