

Emily F. Haines

September 7, 1934 - May 31, 2024

Emily F. Haines, 89, of Wilmington, DE, passed away suddenly on May 31, 2024. Born on September 7, 1934 to Joseph and Julia Fardon, she lived most of her life in Carneys Point, NJ. Full of love and laughter, and a bit of mischief, Emily made friends with her contagious smile and bright personality, touching the lives of all who knew her. While her family was the focal point of her life, she worked at Bancroft Mills, DuPont Chambers Works and the PG/CP Child Study Team. She met David, her husband of 65 years, at DuPont and they settled into a quiet and simple life on B Street in The Village to raise their family. She was a long-time member of Union Presbyterian Church where she taught Sunday School for years.

Emily was a devoted wife and mother, always putting the needs of her family before herself. She provided endless days of joy to her children whether it was at the pool, the beach, jumping rope, or making her famous roast beef dinner each Sunday night. While her love for her children seemed limitless, a new love was born when her grandchildren came along. From endless shopping, to a family vacation to Disney World, to being their greatest advocates as they grew into adulthood, she showered them with love in every possible way. Then the cycle began again when her great grandchildren came along and she became a Nana.

She was predeceased by her husband, infant son Aaron, her parents, and brother Joseph. Emily leaves behind 2 children, David (Jean) and Kathleen (Robert), 3 grandchildren, David, Ali and Rachel and 2 great grandchildren,

Zachary and Angela.

In lieu of flowers, remember Emily by contributing to St. Jude Hospital for Children. Then maybe do a little dancing, don't be afraid to go shopping just for fun...and yes, have that peanut butter even if your daughter has been trying to hide the jar for your health.

As per her request, burial will be private.

“ *It is with great sorrow that I learned of Emily's passing. My best memory is her laughing with Doris and Renee over some silly thing. I did so enjoy seeing them at Joan's knitting group each week. So many lovely afghans were born there and friendships cemented. She is missed already.*

“ *Mrs Haines and her late husband were gentle and beloved fixtures in (my) early church life. Her smile was contagious, and such a blessings. In later years she kept in touch from Wilmington with the Carneys Point church. And was a beacon of support for our on-line broadcasts. She will be greatly missed. Jim (& Pam)*
