“ Awww, Crystal. I am so sorry. There are no words to share with you that haven't already been said to you a hundred times. It is a sad, sad time and my thoughts are with you. The passing of days and years has changed our lives so. Sometimes I wish for the childhood days again. When all seemed so simple. It's strange how quickly we have become the older generation in life now, huh? Well, I hope you and I have a long and healthy life ahead of us, full of happiness and love. With loving memories...Debbie
