“ I had the pleasure of knowing Jeannie as a dear friend an colleague, having met at the DuPont Experimental Station decades ago. She has been an inspiration to me as a Mother, Yia-yia, daughter, sister, cousin and friend. Spending time with her family - especially with her beautiful grandchildren - was her greatest joy. She was so proud of them all and would share stories of time spent with them. Her presence with us will be greatly missed but we know her warm light will glow inside of all us forever. My sincere condolences to your family. Love you, Jeannie.

“ Jeannie and I have known each other since we were children. Our mothers were very close and I remember that Jeannie's mother was in my mother's wedding! I think my mom was in her mother's wedding too. Although we did not live close to each other as adults, we kept in touch enough to know about all the chapters of our lives, raising a family and maintaining love for our parents and relatives. Jeannie was so positive. She always had a smile on her face and seeing the good in people and the world. Her passing is hard to accept. May she rest in peace and her memory be eternal. Love, Kathy (Poz)

“ I lived around the corner from Burpulis's Restaurant. Whenever Jeannie had to come to the Restaurant we always played together. We would put on our transistor radios and try to dance the latest dances. I have so many great memories of those days with Jeannie. I am so so sorry for your loss. “ Jeannie has been my good friend since childhood. I will never forget her smile and laughter. A warm and generous person who brought happiness to those around her. We Elvin Avenue girls have so many great memories of time spent together. May Jeannie rest in peace. She was well loved.
