Fred Anthony Fisher, Jr. (Freddie) born August 30, 1967, passed away suddenly at his residence in Cape May County on June 25, 2012. A 1985 graduate of St. James High School, Fred demonstrated one of his many talents as a carpenter. Fred enjoyed music, hunting, and a good cigar with scotch on the rocks. Predeceased by his parents Fred and Josephine Fisher, Sr., Fred has left fond memories with his beloved Janet, sister Judy/Kathy, nephew Rob, best friend and cousin Anthony, as well as aunts, uncles, cousins, and great nieces. All who knew and loved Freddie will truly miss his unforgettable humor and laugh, his gift of gab and charming personality. He never knew a stranger. Rest peacefully little brother. “ To Freddie's family and to the ones he was close to:Me and my family would like to extend our deepest sympathy to you. I went to St. James H.S. (class of 1988) and spent 2 years of that with Freddie. He was always a good-natured person. He was always some one you could count on! After years of H.S. I would see him at my work (Newfield NJ, at the time), and he talked about his wanting to get into the bed and breakfast business. Then years pass by, people move away and don't have contact with the same ones. You often wonder what became of them, and certainly with Freddie I often wondered if his dreams came true. I, being in GA. (and still having family in Pole Tavern) I daily read the paper on-line. When I read this today I was very much upset, and will be keeping your family in my prayers. What do you say when someone passes away way before their time? Other than I am so sorry for your loss, and at some point time will heal the pain.  
In Deepest Sympathy, Laura Lynam-Hills Wrens, GA
