

George Tzidras

September 29, 1945 - April 30, 2012

George Tzidras passed away April 30th, 2012, after a courageous battle with lung cancer. George was born September 29, 1945 in Griva, Kilkis, Greece. After completing his schooling in Griva, he served in the Greek Military. He later moved to Germany, where he worked for six years to provide for his family. George then returned to Greece to be with, and care for, his family. In 1995, George moved to the United States to be with his children and watch their families grow. Here he worked alongside his son at Pat's Pizzeria.

George is survived by his beloved wife of 45 years, Tanya; his proud daughter and son, Jenny and Christos; his son-in-law, George, and daughter-in-law, Louisa; his loving grandchildren, Elias, Yiannys, Katerina, Christina, and Georgia; his two brother, Andreas and Yiannis; and countless cousins, nephews, nieces and loved ones.

Not only was George a very loving husband and father, but was also adored by all who met him. Everyone cherished his company and was warmed by his glowing smile. God always takes the good ones early, but He should have been more patient for this man, who was loved by so many. May his memory be eternal and forever in our hearts.
