“ This is a note to my Mom

Dad told me to write what's in my heart. It's too much and it hurts. I feel lost and broken without you.

My heart is aching for my brothers and sisters because of the pain of losing you. You were the glue that held this family together. But rest well, Mom, we have all promised to stick together and look after each other. We will keep our family together as you wished.

Dad is lost and heartbroken, but we are looking after him.

*Thank you all for your support,
Shell*
