“ *Brenda, Kevin and Chris, I am so saddened to read of Imogene's passing. I wish I had known prior to her viewing; I would have definitely been there. I met Imogene when I started my banking career at PGNB. Imogene was a new mother and loved bringing her sweet little Brenda in to visit "the girls". I don't know of a sweeter woman; she was a gem. May your many happy memories bring each of you much comfort.*

“ Truly honored and blessed to have the best neighbors in the world. Jean will always be in our hearts and very much missed as she was a second mom to me and my family. Making plans to fly to Florida was always exciting to see Jean & Herb. There were so many amazing times with both of you that not one time was more special than the others. All the arts and crafts and walks to the sunset sitting on the beach and all the rides to Publix, Costco, CVS, Home Depot will be missed so much and top to top off everything, there was nothing like Jean's chili! My family and I have wonderful memories. Thank you Herb for letting me into both of your lives and adventures and mostly being exceptional amazing and caring an loving people who have my heart. Jean will be so missed by us.

All my love. Rob, Lori & Serena.

“ We were blessed to know Jean these last few years at Golden Strand. She was so kind to everybody. As soon as we would show up she offered a chair and tea. I can still hear her soft voice. Many times we would see Jean & Herb strolling hand in hand around the area or sitting on the beach at sunset. Such displays of contentment! She will be so missed.

“ *What a warm, caring, loving woman! We feel truly blessed to have known her (and you, too, Herb) all these years in Florida. What luck for us to rent next door to you two so many years ago. Such helpfulness and hospitality! Unparalleled kindness and genuine interest in our lives. We are (selfishly) missing her a great deal already. Please take care of yourselves as she would wish!*
