“ I just found out, that Jacqueline Allen, was the fantastic voice dubbing the little boy singing along side Mario Lanza, "The Ave Maria", in the movie "The Great Caruso". I've cried every time I saw the movie and heard her voice. Too bad she didn't get the credit. I know GOD is with you, to have given you such talent.

“ Dear Kerry and Chuck, sending our condolences first this way, later i will call you. Your mom was a pretty special person! I had no idea she had worn so many hats! I am glad to read she was with you at home, when she died... Hopefully she did not suffer and her light just slowly faded away. I will always remember her as a beautiful, glamorous and independent woman, with VERY good taste! Please offer my condolences to the rest of your moms family too, best wishes to all in this time of sorrow, love, Fredy.
