“ I will remember Jim as being friendly & helpful. I admired his patience when he was dealing with Darlene's memory loss, that had to be a heavy burden.

Thank you Michael for sharing this with me. I'm happy I had the opportunity to meet both Jim and Darlene when I made the trip east. I'm nine months older than Jim so I joked with him about being his bigger brother. I wish I could have met Jim and all the family many years ago. Like Darlene, my wife Rose has lost her memory too, so I hope I can help her like my brother Jim helped Darlene. Thank you again for sending this to me.
