“ Rest in peace, dear cousin. You always made us laugh, cry, or shake our heads.  
You're with your twin now so that you are once more complete. The two of you were really a handful in your youth (running away, setting the house on fire) - always up to something!  
Wish I had been able to give you a hug last week; my prayers had to suffice instead.  
Love always, Carol

“ My Big brother, I will miss you so much. I will remember your smile, great hugs and your amazing laugh. I will especially miss your singing Happy Birthday every year to me over the phone. You never forgot to make me feel special and I certainly will never forget you and how much you enjoyed life. I will treasure our memories together.  
I wanted you to stay with us here, but my peace is in knowing that you are no longer suffering and are reunited with Johnny and Mommy & Daddy. You are my angels and with me everyday.  
Till we meet again..Your little sister, Carrots.(Karen).
