“ Aunt Janis made a deep and lasting impact on our family through her thoughtful generosity and welcoming spirit.

Her gift giving was legendary. Despite not being with the kids day in and day out she always knew the perfect thing to get them at Christmas. She consistently gave, consistently loved, and showed how much she valued family through the way that she cared for hers and the love that she showed to ours.

I'm so thankful for the stability and passion for books that she imparted into our little crew.

We already miss her, and send our love to you Uncle Rob and Michelle and family.

“ I had the honor of working with Janis when I became Director of St. Mary's County Library in 2003. It is so fitting that Janis requested donations be given to her hometown library in lieu of flowers. Janis always kept our focus on connecting children and books in St. Mary's County; thus, it is no surprise that she wanted her legacy to do the same for the children in her hometown.

Thank you, Janis, for your undying commitment to the power of books and libraries.

Rob and Michelle, you are in my thoughts and prayers. Janis was so looking forward to this life chapter, being closer to Michelle and the grandchildren. May the memories of those years sustain you.
