“ I'd like to extend my condolences to her family, and I met Janet through her class luncheons, every first Thursday of the month for the last 12 years, when I was the nurse for Janet Lawrence, one of her classmates. I enjoyed her conversations and such sweet smiles that she gave at the luncheon.And all of our little jokes to each other may her sole rest in peace , and I'd also like to say What a KinD and caring person she was. I enjoyed meeting her and her being part of my life for the last twelve years.

“ *Jeanette's oldest son, Mike and I were best friends in high school, so I spent a lot of time at their house. She was always welcoming, always smiling, and had a great sense of humor. Her extended family was certainly blessed to have her with them for so many years.*
