“ As cousins we spent a lot of time together growing up. My sister, Karen and I would make the cakes from our Easy Bake Oven! Jeff (and Michael!) would eat them as fast as we could make them! We thought they must be GREAT! When we tasted them they were AWFUL!!!! Can't believe those boys ate those things! Melissa later told me they didn't get cake at home so it probably was good to them!!!! RIP JEFF, and find some good cake now! Love you, cuz!

“ I am so sorry to hear about Jeff, in high school and for a few years after we were good friends, we lost touch when I moved away, but I will always have fond memories of him, and he was one of my Grandpaw's favorites of all my friends
