“ *Dearest Brent and Girls,
I was so sorry to read about Jennifer. I know the girls won't remember me, but you and Jennifer were the best neighbors and friends a person could as for! I'll never forget when Donnie went to be with the Angels and you came flying down to his home because you knew something was wrong and we needed a shoulder to cry on. Together, Jennifer and Donnie can work together and get Heaven organized. If you need an old lady to talk to, I am still here.*

“ *Brent and the Girls, My mom contacted me this morning with the news. I am so sorry. Jen was such a wonderful, kind, and caring person. I am sure she was the BEST Mother in the world. If I can do anything, please let me know. She will be the best guardian angel ever. Love, Jodi*

“ On behalf of the McIntyre family, I would like to offer my most sincere condolences to Suzanne and your entire family. I remember Jennifer as a bubbly underclassman with cute freckles, and a crush on my brother, Pat. I know that this time is unbearable for you all, and it's hard to believe she is in a better place, with God. Take care of each other, and know that I am thinking of you and praying for you. Suzanne, always remember your little sister with the big smile, and keep that as a memory. Sincerely, Kathleen McIntyre Smith
