“ *Dot, Jackie, Frank, and Jim: I was so deeply saddened to hear of Joanne's death on Friday! What a special, precious friend she was to me! I smile at the thought of her singing in heaven...joined by all the saints from Park Bible that have gone before her!!! Know that Bill and I are keeping you in our thoughts and prayers!*

“ *I knew Joanne from Park Bible Baptist Church as a very caring person. She was so proud of the fact that every Sunday morning she would turn on the light at the organ for me. From time to time she would sit with me and I would help her find the sermon passage in the Bible. She also gave me items that she had sewn out of different kinds of material which I still have. I have not seen her in awhile but will always remember her.*
