“ I was so sad to hear of John's illness and death. Even though I had not known him for very long, I loved him dearly. I have never met a man as good and kind as he was. I am blessed to have had him in my life. I will never forget him. You are all in my thoughts and prayers. Love you, Dianna Ball Gates

“ To Barbara and Family: I am Dianna Gates' mother. I was very fortunate to have had the opportunity to meet John when he came with you and Allie to Tennessee for Velma's funeral. Upon my introduction to John, I was immediately impressed by his obvious kindness and genuine love for his family. Dianna thought very highly of John and was deeply saddened to hear of his death. Her connection with her Daddy's family is limited, and she treasured the time she was able to spend with John; he made her feel very special. So sorry for your loss; I will keep you and your family in my prayers. Sandy Ball Jenkins
