“ *I loved staying with my Aunt Judy, Uncle Johnny, and cousins, Lisa, Elaine, & Johnna as a kid. I never wanted to leave when my parents came to pick me up, even though I had plenty of mishaps on the farm and at the many horse shows my uncle dragged me to. I will never forget the time he put me on a horse that promptly bucked me off face-first into the mud! Once he realized I was not hurt, he broke out into laughter, which made me start laughing despite the mud in my mouth, and years later I realized that's how he raised three strong, resilient girls. He also taught them and me about responsibility by making us get up early to feed and groom the horses. I never heard him raise his voice but we listened when he spoke. He was a true cowboy and gentleman who treated animals and people with the same quiet regard.*

“ *I was so sorry to hear of the passing of Johnny Clemente. Johnny was a good friend to me over the years when I lived in Salem County, and again when we reunited on FB many years later. I will always treasure his friendship. My thoughts and prayers are with his family and friends. Rest well, my friend.*

So happy that when I returned to my hometown of Penns Grove ...John Boy (affectionately) and I managed to find time and recall our childhood and beyond. I will hold onto these memories and smile a little as you return to the arms of your love and my good friend, Judy. Get a good laugh when you recall the night we kidnapped your from Valley Forge Academy. Love you John Boy and thanks for the memories.

I am so sorry to hear of the loss of your Dad. My family remembers fondly our family reunions and how your Dad took us all out to ride the horses. May he rest in peace and be back in the arms of your beautiful Mom!❤️
