“ *Uncle Jack I will miss you terribly. I'll always remember and never forget you. Thank you for all of the lessons you taught me when I was growing up in Pennsville and hanging out at all the picnics we used to have. Especially learning how to appreciate how good beer went with my breakfast and how to hunt deer with our car bumpers on the way back from picking up more beer from AJ's. Good times Uncle Jack, good times. Say hello to Aunt Kas for me. I love you and miss you both.*
