“ To all of Gene and Judy's family and friends: The Rasmussens lived across the street from the Wittmanns for 30 years and there was never a dull moment! Gene would always find some trouble to get into. Judy would just roll her eyes and shake her head at him. Judy was always there for my parents through thick and thin, through good times and bad, and in sickness and health. Even when their house was flooding from a hurricane, Judy and Gene would be digging trenches for and with our Mom, laughing the whole time. Having them as neighbors were the best of times and we missed them tremendously when they moved to Florida. My sisters, Jan and Jill, my brother, Jon, and I had the great fortune of visiting Judy and Gene twice in the past 6 weeks trying to help and support them in their time of need. What a blessing it was to be able to do that! Our world is not the same without Judy but we will carry her in our hearts forever until we meet again. In the meantime, may God comfort us all and keep Judy close by His side. I know that Judy is laughing once again with our Mom and Dad, sharing stories about their kids, grandchildren, and cats. And to Gene, Chris, Curtis, and Craig, we are still here if and when you need us. That will never change! We love you!!! Jan, Jill, Jon and Jeri

“ I am so very sorry to hear about the loss of Judy. My family lived across the street from hers for many years and we shared lots of great times and many laughs. Gene and Judy were a tremendous help to me when my parents (Deb and Martin Lacy) were ill. I will always remember her infectious smile and her contagious laugh. Rest in peace, Judy. Say hi to my folks.
