“ *Pat I'm so sorry to hear about your Mother's passing. I know she's been very ill & now she's at peace. She leaves you & your family to mourn her. Nothing I can say that will help you right now except for you to know that I will always be here for you & I love you. You are in my thoughts always. Take care of yourself & surround yourself with your loving family. You will get through this.*

Pat, I'm so sorry to hear about your Mother's passing. I know she's been very ill and now she's at peace. She leaves you and your family to mourn her. Nothing I can say that will help you right now except for you to know that I will always be here for you and I love you. You are always in my thoughts and my heart. Take care of yourself and surround yourself with your loving family. You will get through this my friend.
