“ I worked with Kathy many moons ago. Unfortunately I’m just finding out about her passing. She was funny, always happy, and just beautiful both inside and out. I have great memories that I will always cherish.

“ Beautiful heart... Beautiful smile... that was Kathy! She loved her family and her faith, and now is in the arms of our Heavenly Father, and her beloved Mother and Dad ( Edna and Walt). Kathy and I were close friends in our earlier adult lives... we were together often and shared many happy times together. She was always energetic, spunky, liked to laugh and enjoyed life; she was lots of fun to be around. I felt blessed to have her in my life...

“ when someone you lose becomes a memory, the memory becomes a treasure” Kathy is a treasure, and will remain in our hearts forever. Rest-in-Peace dear friend.

Sincere condolences to her family and friends.

“ I remember Kathy fondly from my High School (SJHS) days....She was always so nice and friendly to me. She was my favorite dance partner at the "YMCA" dances. Kathy was an amazing dancer and I always enjoyed being around her. I will miss her but I will always have those fond memories of days gone by. May She Rest in Peace & Love.
