“ *My thoughts are with Aunt Katy & Uncle Limie. I was so fortunate to know & be part of the family of 2 of the nicest people I have ever known. Both were always so nice to stop and say Hello on my visits to Pennsville over the years. I got to see and visit with Aunt Katy during my last trip home and she told some great family stories to me & my Brother Teddy. My condolences to my cousins and their families on the loss of their mom.*
