

Kathleen Guglielmo

November 9, 2020

On Monday, November 9, 2020 our family lost our beloved Kathy. She was diagnosed in late August with a very aggressive stage 4 kidney cancer and fought a courageous battle. Kathy was only 51 and our family is devastated to lose her. She was a graduate of Pennsville Memorial High School. Kathy earned her B.A. from Virginia Tech, and Masters Degree from University of Delaware. She was just taking her last class for a Masters degree in Healthcare Administration from Wilmington University. She was a very successful businesswoman and Director of Finance and Healthcare Management for Saint Francis Life Senior Center in Wilmington Delaware. She is survived and loved dearly by her parents (Joan & Pat Guglielmo), her twin sister (Karen & Bill Grant) and siblings (Ed & Sherry Guglielmo, Bob Guglielmo & Dave Scott, Patti & Steve Belcher), 8 nieces & nephews and 2 great nieces, Godparents Bob and Eileen Lawless. Kathy enjoyed yoga, spin classes, music, the beach, and traveling. She had a love for pugs and missed her Roxy! She was caring and protective of her family, her friends, and her clients. Kathy had a plaque by her bed that read "Always remember that you are braver than you think, stronger than you seem, and loved more than you know." We will miss her more than words can say. Rest in peace our sweet angel.

A walk through visitation will be held at Ashcraft Funeral Home, 740 S. Broadway, Pennsville, NJ 08070 on Saturday November 21st from 11am

-12pm. Given the current pandemic, social distancing and mask policies will be followed.

Kathy had a soft spot for animals and always sponsored Faithful Friends. Contributions can be made in her memory to www.FaithfulFriends.us

“ My heartfelt condolences to the Guglielmo family. Kathy was a “quiet storm” when we needed PPE and supplies during the pandemic at the LIFE Center for the Health Center and staff. She was a strong leader and financial whiz for the LIFE Center. She will be sorely missed and revered. May she Rest In Peace in the arms of the angels. —Sheran Kegerise RN
