Keith was a friend of my son Derek. He use to come to the bank where I worked to get change and would always stop and talk to me... VERY respectable young man who always had a smile on his face..he will be missed !

“ Keith was a friend of my son Jon. When the boys were teenagers I used to take Jon, Keith, Ryan, and Dave to various skateparks. The boys never seem to object to my hanging around until they were finished skating. Keith was polite and respectful and always fun to be around. Once we moved from PennsGrove to Carneys Point the boys would hang out skateboarding in our driveway. I know Jon is so sad about Keith's death. I am very sorry for your loss as a family and I know this is very tough on all of Keith's friends. It is my hope that all will take solace in the memories everyone have of Keith. He was loved.

“ *on a cloudy day
when it's very dreary
& the rain mists the earth
the sun shines everywhere*

*& even when the night is dark
& no stars dot the sky
the sun still shines everywhere*

*& because
on these days there are those
who love us,
care for us,
& feel for us,
the sun surely shines everywhere*

*May the presence of family, friends, and love ones provide some comfort during
this most difficult time.*

“ Keith was always happy guy and in a fun mood. I was a DJ for years and no matter what he would always come out just to show me support, that meant a lot that he would show up just so I knew he was there. He was a great friend and I will miss him. I send my deepest condolences to his friends and family in this hard time.
