“ *To Dina's family I am sincerely sorry for your loss. I just talked to her right before she left for Vermont she sounded fantastic even with her breakup with her significant other to me she sounded like she had her head on her shoulders and she was going to do well. I wish I had more time with her to talk to her..... her laughter could fill room. She had a crazy sense of humor but that's what made Dina who she was!
My son Christopher is heartbroken she was his best friend.
Again my sincere condolences to your family I am sure she is in heaven watching down on you and has no more pain.
Sincerely
Paula Chard*
