“ *Dennis, I am so saddened to hear of Leslie's passing. We were childhood friends in Indiana before she moved to NJ. When we reconnected on FaveBook, I loved her posts of Ursa & the stunning sunsets from your yard. I hope Leslie is at peace. I'm so terribly sorry for your loss.*

“ Dear Dennis, Bruce, and Dennis- I was so sorry to hear of Leslie's illness and death. From the moment I met her in our backyard as kids through adolescence, and adulthood we had a good friendship, one that we could pick up whenever we needed to despite distance and time. She was such a blessing. My heart is with you all in the next days and weeks. Leslie: Thank you for being my friend. Kate (Kathy) Green

Dennis, Bruce, Denny (and Barb) - I'm also sorry for your loss. Leslie was a part of my life from grade school through high school as you know. Such great times and memories through the years. The Rancks and Whitmores did a lot together. I will miss her.
