“ When I started high school, I didn't know anyone in my class. Marla was the first friend I made-she sat with me at lunch the first day of school. She was one of the nicest people I have ever met. Unfortunately, I only had the chance to see her once since high school, but her beauty--inside and out--had never changed. I will never forget her and I will keep her and her family in my prayers. My sincere condolences to her family, especially her children and husband. God bless you all.

“ I met Marla through work, but most of our interaction was at the daycare where we often ran into each other picking up our children. Marla was very kind and gentle, it saddens me to hear of her passing. You all will be in our thoughts and prayers.

“ I talked to Marla through our business relationship as one of my customers over the past couple of years. I finally got to meet her and she was as sweet in person as she was on the phone. I know she will be missed by all of her loved ones, but God will give you strength to continue on. Cherish the time you did have with her and keep those memories close to your heart.

“ Dear Steve, Doris and Family,  
I just read about the news about your daughter Marla's passing. I am so saddened. Such a young woman, a new mother, and I know a wonderful person.  
I just wanted you to know that I will keep you and your family in my prayers during this time of sadness and throughout the upcoming year.  
May God keep you all in his comforting hands, and nurture your loss with a spiritual grace and love that only HE can offer at this time. With strong faith, HE will help you get through this tragic familial loss.  
Blessings and prayers, with utmost sympathy,  
John Migliore (I worked with Doris at the bank for several years),
